

**Statement as to Sole Source
For the
Moisture + Density Indicator (MD+I)**

Durham Geo-Enterprises, Inc. (dba Durham Geo Slope Indicator) was granted exclusive rights by the Research Foundation of Purdue University to license certain patents and technologies for the utilization and commercialization of intellectual property referred to as the "Purdue TDR Technology for Measuring Water Content and Density of Soil."

The Licensed Rights include, but not limited to, exclusive worldwide rights and entitlements to manufacture and distribute products developed under this License Agreement. Durham Geo-Enterprises, Inc. has not and does not intend to issue any Commercial Sublicense.
